**LOCALLY OWNED SMALL BUSINESS PURCHASING PROGRAM
RULES AND REGULATIONS:**

- (i) The Administrator of Purchasing in conjunction with the Administrator of EOC shall identify certain goods and services required by the County to be set aside for special purchasing procedures for locally owned small businesses.
- (ii) Only certified locally owned small businesses will be allowed to submit competitive bids on the goods or services identified under paragraph (i) above.
- (iii) The Administrator of Purchasing shall, in conjunction with the Administrator of EOC, annually review the Shelby County Capital Improvement Program to determine those projects with a construction cost of \$250,000 or more. Contracts amounting to at least ten (10%) of the construction costs of such project shall be awarded to locally owned small businesses as defined herein, except as set forth in sub-paragraph (vi) of this section, either as part of the conditions of the solicitation for general contractors bidding on these projects, or as separate bids issued by the County for subcontracts that may be assigned to general contractors.
- (iv) After adhering to all other bidding and purchasing requirements of the County, not inconsistent with this part, if no bids are received from locally owned small businesses, then the County may solicit bids for the goods or services from all other sources.
- (v) On all purchases and/or contracts entered into by the County, the Purchasing Administrator or his or her designee shall have the right to negotiate with any supplier of goods or services to the County for the inclusion of locally owned small business subcontractors and/or suppliers in the contract award.
- (vi) Failure by a supplier or contractor to include locally owned small business subcontractors or suppliers in its bid or contract may be grounds for rejection of said bid or contract unless the supplier or contractor can show documented evidence of good cause why none were included.
- (vii) Any locally owned small business awarded a contract or purchase order under this section shall not sublet, subcontract or assign any work or services awarded to it without the prior written consent of the Mayor or the Purchasing Administrator.
- (viii) As to those purchases below the requirement for a formal bid solicitation (currently, under \$15,000) and not included in the locally owned small business set aside, the Administrator of Purchasing shall determine if any locally owned small business offers that product or service. If so, at least one such eligible locally owned small business should be included in the vendors contacted for an opportunity to bid, and the Administrator of Purchasing may, at his discretion, designate in a purchase order the purchase of such goods and services from the identified locally owned small business.

(ix) In those situations where a locally owned small business as defined herein, engages in open competitive bidding for County contracts, the Administrator of Purchasing shall provide for a preference for the locally owned small business where responsibility and quality are equal. Said preferences shall not exceed five percent (5%) of the lowest possible bidder meeting specifications. The preference shall be applied on a sliding scale in the following manner:

a. A preference of up to five percent (5%) shall be allowed for contracts up to \$500,000.00;

b. A preference of up to three and five-tenths percent (3.5%) shall be allowed for contracts up to \$750,000.00;

c. A preference of two and one-half percent (2.5%) shall be allowed for contracts up to \$1,000,000.00;

d. A preference of two percent (2%) shall be allowed for contracts that exceed \$1,000,000.00.

(x) For construction contracts over \$2,000,000.00, the Administrator of Purchasing shall provide for a preference of two percent (2%) to general contractors meeting the requirements of Section 1, Subparagraph B, if fifty percent (50%) or more of the total work comprising the bid has been or will be awarded to certified locally owned small businesses. The fifty percent subcontracting threshold must be met prior to contract execution.

(xi) The Administrator of Purchasing may divide a single bid package for any purchase of goods and services into two or more smaller bid packages in any case that the Administrator of Purchasing reasonably believes that the smaller bid packages will result in a greater number of bids by locally owned small businesses.

(xii) The Administrator of Purchasing, upon approval of the County Mayor, may establish special insurance and bonding requirements for certified locally owned small businesses so long as they are not in conflict with the laws of the State of Tennessee.

(xiii) The Administrator of Purchasing, with the approval of the County Mayor, shall adopt and promulgate, and may from time to time, amend rules and regulations not inconsistent with the provisions of this ordinance, governing the purchase of goods and services from locally owned small business concerns to effectuate and implement the Locally Owned Small Business Purchasing Program within the intent of this ordinance.

TENNESSEE DEPARTMENT OF TRANSPORTATION DISADVANTAGED BUSINESS ENTERPRISE (DBE) PROGRAM

ARRA RESURFACING PROJECT, PIN 112658.00

General

The Tennessee Department of Transportation (TDOT) is committed to a policy of non-discrimination pursuant to the Equal Protection provisions of the United States Constitution. It is further the policy of the TDOT that its purchasing and contracting practices encourage the use of Disadvantaged Business Enterprise (DBE) in all solicitations.

In furtherance of these policy objectives, TDOT seeks to afford all citizens equal opportunities to do business on county contracts and to ensure that all bidders, Proposers, or Contractors doing business with Shelby County provide to DBE's, maximum practicable opportunities, commensurate with availability, price and capabilities required, to participate on contracts which are paid for, in whole or in part, with monetary appropriations from Shelby County.

TDOT seeks to prevent discrimination against any person or business in pursuit of these opportunities on the basis of race or gender. TDOT will conduct its contracting and purchasing programs so as to discourage any discrimination and will actively seek to resolve all claims of discrimination brought against the State of Tennessee or any Contractors involved in such contracting and purchasing programs.

TDOT has determined that **4%** of the contract sum will be contracted with DBE vendors. An approved list of DBE subcontractors can be found at:

http://www.tdot.state.tn.us/construction/DBE%20list/dbe_list.pdf

Policies and Procedures

Tennessee Department of Transportation (TDOT) may adopt policies and procedures as necessary to carry out and implement its powers and duties regarding the DBE Program. It is the goal of TDOT to encourage participation by DBE's and to adopt rules and regulations which achieve to the greatest extent possible a level of participation by DBE's taking into account the total number of all Contractors and suppliers. Therefore, TDOT will review each procurement request to determine the maximum potential for utilization of DBE's. This review is based on the availability of qualified DBE's providing goods or services as it relates to the scope of the bid or procurement process. The following procedures may be utilized during the procurement process.

a. Bid Language

TDOT may insert language into each bid specification describing the DBE Programs to assure that all prospective bidders are aware of the requirements to make efforts to utilize DBE's.
